Effective: August 2012
For all students starting after this date

Construction Management(CM)-MS

Degree Requirements

- A minimum of 33 credits must be completed of which no more than 3 credits may be CM 691, 788, 791, or CP 697.
- A minimum of 18 credits of 600-level or above in Construction Management (CM) courses must be completed.
- A thesis, project paper, or final examination is not required; this is a course work only degree.
- No undergraduate courses (400-level and below) or project credits will count toward graduation.
- Any elective courses not shown on the list of approved courses must be preapproved by the program coordinator.
- Students admitted to the "accelerated" program may apply up to 9 credits of 500/600 level coursework taken as an undergraduate to degree requirements.

Required Courses (5 required)

CM 608 Construction Contracts	3	F
CM 610 Construction Project Management	3	Sp
CM 619 Construction Company Management	3	Su
CM 665 Construction Equipment Management	3	F
CM 710 Advanced Construction Management	3	Sp

Approved Electives (6 required)

Courses SDSMT/SDSU* (available distance)		
CM 500 Risk Management and Construction Safety*	3	Su
CM 560 Sustainable Building Systems Concepts and Analysis*	3	Su
CM 574 Construction Engineering & Mgmt	3	F
CM 706 Managing Sustainable Projects	3	Su(e)
CM 715 Advanced Materials and Methods	3	Su (o)
CM 788 Professional Practice Research	3	F/Sp/Su
SDSMT Engineering Management Electives (available distance)		
ENGM 620 Quality Management	3	F(e)
ENGM 625 Innovation and Commercialization	3	Sp(o)
ENGM 640 Business Strategy	3	F(o)
ENGM 650 Safety Management	3	Su(o)
ENGM 661 Engineering Economics for Managers	3	F(e)
ENGM 655 Ergonomics for Managers	3	Su(e)
ENGM 675 Ethics and Professionalism	3	Sp(e)
ENGM 742 Engineering Management & Labor Relations	3	Sp(o)
IENG 531 Industrial Hygiene	3	Sp
IENG 566 Project Planning and Control	3	Sp(o)

Due to changes in curriculum the following courses have changed numbers and cannot be repeated for credit. CM 506 is now CM 706; CM 508 is now CM 608; CM 615 is now CM 715; and CM 474 is now CM 574.
