Graduate Education Coursework Schedule for Master's Degree Students

The coursework page must be accompanied by the Graduate Advisory Committee Signature Page (page 1 of this document).

Contact your advisor/major professor for assistance in selection of courses. Refer to the academic catalog for additional information.

*To transfer courses from another institution, you must submit the Request to Transfer Outside Credits form. An official transcript must be sent directly to SDSM&T from the issuing institution. The student is responsible for arranging for the official transcript to be sent to the Graduate Education Office.
