5 p.m.		Hakeem & Nathan	Hakeem & Nathan	Hakeem & Nathan	Nathan		
6 p.m. TO 6:45 p.m.		Nathan	Nathan	Nathan	Nathan		

This TLC Tutoring schedule shows the **days and hours tutors are available during the week.** It's more helpful when used with the Tutors' Area of Expertise Chart (usually printed as a hardcopy on the back of this page). You may also find these two charts by going to the Tech Learning Center (TLC) web pages. On the Mines website, enter "tutoring" in the search box, and then click the updated tutoring schedule link.

ALL TUTORS DO NOT TUTOR ALL SUBJECTS. The TLC's main focus is tutoring in School of MInes core subjects—chemistry, computer science, English, math, physics, (and biology if a tutor is available) at the 100 and 200 levels. **Refer to the Tutors' Area of Expertise Chart** to better know with what subjects each tutor assists.

TLC tutors help with problem solving processes, but do not do homework for students seeking assistance; and they do not teach the course.

Come prepared to receive tutoring by:

- Knowing the chapter being covered in class
- Having attempted the homework before coming to TLC tutors with questions
- Understanding that when the TLC is busy, tutors will divide their time among students seeking help

Appointments are not necessary, just come to Devereaux Library, room 110 (lower level).
One visit may not be enough, plan on visiting the TLC several different times and days of the week to find tutors and times that best fit your study needs. If there are questions or concerns about the Tech Learning Center, contact Linn.Miller@sdsmt.edu (or call 605-394-2428) weekdays between 8:00 a.m. and noon; or Barbara.Dolan@sdsmt.edu (or call 605-394-2400)—Office of Registrar & Academic Services (RAS).
