ME Doctoral Fellowships Available \$40,000 to Selected Students!

Current master's degree seeking students who wish to stay and pursue a PhD degree in mechanical engineering are eligible to receive an ME Doctoral Fellowship. Selected students will receive two years of funding:

\$25,000 for students in their first year of doctoral studies in the Department of Mechanical Engineering.

\$15,000 for students who are in their second year of doctoral studies. Beyond their second year, it is expected that students will be supported by their doctoral faculty advisor on a funded research project.

This funding is contingent upon the student maintaining full-time status and a minimum GPA of 3.0 each semester.

APPLY NOW!

To be considered for a fellowship, complete the application and submit this to mechanical.engineering@sdsmt.edu.
