Presents:

RECYCLING IN RAPID CITY

HOW, WHAT AND WHERE

Third Edition
March, 2011

If you would like to add your recycling services or edit current information, please contact Torie Fields at the City of Rapid City, Solid Waste Division 355-3496 or email torie.fields@rcgov.org

RECYCLING IN RAPID CITY

The Materials Recycling Facility (MRF) at the Rapid City Landfill sells the following recycled materials as follows: corrugated cardboard, newspaper, aluminum, copper, brass, steel and Plastic (#1 and #2 only) – look inside the recycling triangle on the container's bottom).

During calendar year 2010, **the MRF received \$570,561 for the sale of 3,105 tons of those materials**—materials recycled by the citizens of Rapid City and its surrounding areas.

The MRF estimates that **only 25%** of the recyclable materials discarded in Rapid City are recovered and sold.

We can create more than \$2 million in revenue if most households recycle!

Are YOU recycling? If not, please do!
Take the time! Make the effort! It's worth it!

**WE THANK THE FOLLOWING PEOPLE WHO HAVE
SPONSORED THE THIRD EDITION OF THIS BOOKLET
THROUGH A DONATION FOR THE PRINTING.**

Rapid City Recycling Services

Recycle Your Glass, Plastic, Aluminum and Steel

Recyclables are collected on a variable schedule. If you have alley collection, your recyclables are collected every other week. If you have curbside collection, your recyclables will be collected any time they are placed out on your normal collection day.

Please recycle the following types of items:

Glass – pickle jars, mayonnaise jars, beer bottles, baby food jars, etc.

Plastic (#1 and #2 only) – milk, juice, ketchup, cottage cheese, detergent, shampoo containers, etc. Please remove caps from bottles to aid in crushing.

Aluminum – pop cans, beer cans, personal hygiene products, etc.

Steel – coffee and food cans, empty paint cans, empty aerosol cans, etc.

How: Please place items in your blue recycling container. First, remove all lids from containers and put the lids in the garbage. You may leave labels on containers. Rinse recyclables only to keep your containers clean and odor free!

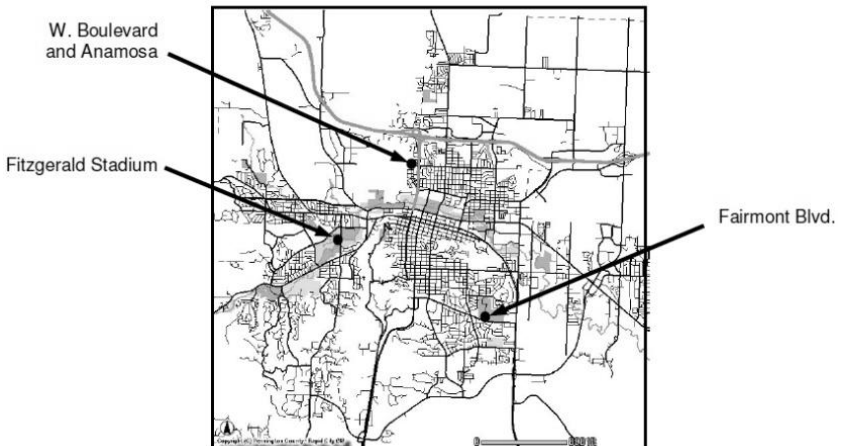

**Please, no paper, cardboard, or plastic bags
in the blue containers or drop-off bins.**

If you have questions about Rapid City's recycling service, please call Rapid City Material Recycling Facility (MRF) at 355-3496.

All area residents are welcome to use the Recycling/Yard Waste Drop-off Sites:

Drop-off Locations:

- Parking lot of Fitzgerald Stadium on the corner of Canyon Lake Drive and Sheridan Lake Road across from Sioux Park pool.
- West Boulevard North and Anamosa Street
- Fairmont Boulevard near Robbinsdale Park, east of the Fire Station, across from St. Paul's Lutheran Church

Special Wastes

Automotive Wastes

Antifreeze

For small quantities, bulk up with cat litter, dirt or sawdust and put in the trash, or recycle at most facilities with auto repair services. Call your auto dealer or auto repair shop. Large quantities of used oil, anti-freeze, waste water, slop fuel or used grease, recycle at

Tri-State Recycling Services, Inc.

P.O. Box 790 Newcastle, WY, 800-876-8645, Mon–Thu: 8 am – 5 pm,
Fri: 8 am – 4 pm

Car Batteries (Lead Acid)

When you purchase a new battery, ask the dealer if they recycle old ones.

If not, recycle at:

Ace Steel and Recycling - market price

1724 W. Main St., Rapid City, 342-5678, Mon–Fri: 7:30 am - 8 pm,
Sat: 8 am – 6 pm, Sun: 10 am - 5 pm

Batteries Plus - no rebate

1315 Haines Ave. Suite E, Rapid City, 718-6000, Mon–Fri: 8 am – 8 pm,
Sat: 9 am – 6 pm, Sun: 11 am - 4 pm

Interstate Batteries - \$6 rebate for used batteries.

1330 Jess St., Rapid City, 341-7181, Mon–Fri: 7:30 am - 8 pm, Sat: 8 am – 3 pm

Runnings Farm & Fleet

1555 Haines Ave., Rapid City, 342-9008, www.myrunnings.com
Mon–Sat: 7 am - 9 pm, Sun: 9 am – 6 pm

Gasoline

Up to 5 gallons of gasoline may be left in a container at **Rapid City MRF**

5165 South Hwy. 79, Rapid City, 355-3496, Mon–Sat: 7 am – 4:45 pm

Larger quantities, contact **Tri-State Recycling Services**

P.O. Box 790 Newcastle, WY, 800-876-8645, Mon–Thu: 8 am – 5 pm,
Fri: 8 am – 4 pm

Tires

New Deal Tire, where the Rapid City MRF sends tires for recycling.

Fees: Charges fee, will pick up in Rapid City \$1.05 (passenger tire), \$1.90 (truck), \$5.85 (semi) or \$105/ton if you drop them off. Pickup prices in Rapid City are \$1.80, \$3.30, \$10.00 or \$180/ton.

117 W. Hwy. 12, Groton, SD, 605-397-8473

Rapid City MRF - Fees are charged by size: \$2.55 each - 16" and smaller, \$7.95 each - on rim or larger than 16", \$210/ton - tractor or other large tires or more than 6 tires

5165 South Hwy. 79, Rapid City, 355-3496, Mon–Sat: 7 am – 4:45 pm

Vehicles

Salvage yards take cars, trucks and campers (some do not take campers - the owner would need to call and check). You need to have title or bill of sale to salvage a vehicle.

A Plus Recycling - They also recycle scrap metal.

2115 Seger Dr., Rapid City, 343-3655, Mon–Fri: 8 am – 5 pm, Sat: 8 am – Noon

Aggressive Auto and Salvage, (no campers)

2019 Seger Dr., Rapid City, 342-1825, Mon–Fri: 8 am – 10 am, Sat: 8 am - Noon

Alan's Auto Recycling (no campers)

1800 Seger Dr., Rapid City, 388-0550, Mon–Fri: 8 am – 5 pm, Sat: 8 am - Noon

Note: Freon Removal and Certification - This service is required for any automobile air conditioning unit that is decommissioned when salvaging the vehicle. Usually this process is done by the salvage yard.

Miscellaneous Wastes

Biohazard Wastes

The State Health Dept. has no regulations concerning disposal of a private individual's or family's used needles syringes, lancets, blood, human waste or other biohazardous materials resulting from the care of persons in the home. To protect workers at the Rapid City Materials Recycling Facility, people are asked to call RC MRF for Information about how to safely arrange for pickup of these items by the Rapid City solid waste management service. Call Rapid City MRF at 355-3496 to ask about SHARPS disposal from your home.

Note: The Rapid City MRF does not yet have any provision for disposing of mercury-containing items.

Pallets

Rapid City MRF recycles pallets, composting them along with other yard waste. They charge \$20/ton to take them.

5165 South Hwy. 79, Rapid City, 355-3496, Mon–Sat: 7 am – 4:45 pm

Propane Tanks

AmeriGas accepts propane tanks anytime.

1305 E. Centre St., Rapid City, 342-2626, Mon-Sat: 9 am - 5 pm

Rapid City MRF also takes propane cylinders, must be left at the scale.

5165 South Hwy. 79, Rapid City, 355-3496, Mon-Sat: 7 am - 4:45 pm

Weapons

Rapid City Department Evidence Office

129 St. Joseph St., Rapid City, 394-6033

Yard and Household Organic Waste

Recycle your organic waste from house and yard by composting.

Dioten Engineering sells biodegradable tubes filled with MRF yard waste compost for plantings and erosion control.

7245 Tanager Dr., Rapid City, 430-7213

Further Resources

BAN:

It is the world's only organization focused on confronting the global environmental injustice and economic inefficiency of toxic trade (toxic wastes, products and technologies) and its devastating impacts.

Rapid City Code Enforcement: 355-3465

Rapid City Landfill

<http://www.rcgov.org/Public-Works/landfill.html>

The Rethink Initiative:

This organization brings together industry, government, environmental and charitable groups to deal with the challenge of e-waste.

<http://www.earth911.org/locator/ebay.html>.

South Dakota Solid Waste Management Association (SDSWMA):

This organization promotes environmentally sound waste management.

<http://www.sdswwa.org/links.htm>.

Women's Voices for the Earth (WVE):

This organization is a national environmental health and justice organization working to reduce environmental toxics and to increase women's participation in environmental decision-making. There are lots of practical hints at:

<http://www.womenandenvironment.org/>

Finally, when you recycle, do the research needed to keep children and other workers in other parts of the world safe. 50 to 80% of recycled electronics end up in China, India and developing nations in Africa where they are taken apart improperly by untrained workers without protective equipment. These workers and their families can be exposed to toxic substances that also end up in neighboring waterways. Unfortunately, the United States is the only developed country that has refused to ratify the 1994 Basel Convention banning the export of hazardous materials from wealthy countries to poor ones. Read about it at http://news.nationalgeographic.com/news/2005/11/1108_051108_electronic_waste.html. The article's title is, "Toxic 'E-Waste' Gets Cached in Poor Nations, Report Says," *National Geographic News*, November 8, 2005.

Index of Recyclers

A Plus Recycling - Scrap metal, Vehicles

A to Z Shredding, Inc. - Catalogs and mail, Office Paper

Ace Newkirk's Hardware (Eastside) - Batteries for power tools

Ace Steel and Recycling, Inc. - All appliances (except Freon-bearing appliances), Aluminum, Car batteries, Magazines, Scrap metal

Affordable Computing Solutions, Inc. - Computers

Aggressive Auto and Salvage - Vehicles (no campers)

Alan's Auto Recycling, Inc. - Vehicles (no campers)

AmeriGas - Propane Tanks

Batteries Plus - Car batteries, Household batteries
Best Buy - Cell phones, Computers, Household batteries, Printer ink cartridges
Black Hills Habitat for Humanity Restore Outlet - Aluminum, Building materials, Cans of paint, Usable & non-usable major appliances (no small appliances)
Boys' Club - see "**Rapid City Club for Boys Thrift Store**"
Chris Supply, Co. - Household batteries
Computer Village - Computer
Cornerstone Thrift Store - Clothing/Household goods, Small usable appliances
Dakota Laser Tech - Laser printer toner cartridges
Family Thrift Stores - Plastic bags
Goodwill Industries Store - Clothing/Household goods, Computers, Small usable appliances
Green Wizard Technology - Computers
Home Technology Services - Computers
iSOLD It- Packing materials
Interstate Batteries - Car batteries, Household batteries
K&D Appliance Service, Inc. – Freon removal and certification
Karl's TV and Appliance – Freon removal and certification
Lighting Maintenance, Co. (Solar Sound, Corp.) - Fluorescent light bulbs (including compact fluorescents (CFLs))
Lions International - Eyeglasses
Lowes Home Improvement Center - Fluorescent light bulbs (including compact fluorescents (CFLs)), Household batteries, Plastic bags
Micro Solutions, Inc. - Computers
Mommy's Closet - Infants and toddlers clothing and baby items
New Deal Tire - Tires, all sizes
Office Depot - Cell phones, Computers, Printer ink cartridges
O'Reilly's Auto Parts - Waste oil, automobile (up to 5 gallons)
