ADA Advisory Committee

Charter

The ADA Advisory Committee shall meet a minimum of one time per semester, or as needed, to advise the University President on ADA issues, programs, and services, and to assist the ADA co-coordinators with the task of educating the campus community about disabilities and ADA policies. The committee consists of two students, two faculty members, two civil service employees, one exempt employee, the Director of Facilities Services, the Campus Student ADA Coordinator, and the Campus Employee ADA Coordinator. The chair of the committee will be elected from committee membership.
