Nanoscience and Nanoengineering Ph.D. Advisory Committee

Charter

The Nanoscience and Nanoengineering Ph.D. Advisory Committee includes all faculty advisors of Ph.D. students in the Nano Ph.D. program. This is a working group which monitors student progress and makes recommendations on the curriculum and direction of the program.

Membership

- Phil Ahrenkiel (Nanoscience and Nanoengineering)
- Robert Anderson (Nanoscience and Nanoengineering)
- Haiping Hong (Electrical and Computer Engineering)
- David Salem (Nanoscience and Nanoengineering, Chemical and Biological Engineering, Materials and Metallurgical Engineering)
- Steve Smith (Chair / Nanoscience and Nanoengineering)
- Congzhou Wang (Nanoscience and Nanoengineering)
- Scott Wood (Nanoscience and Nanoengineering)
- Zhengtao Zhu (Chemistry and Applied Biological Sciences)
