**University Curriculum Committee**

**Charter**

Approved Department curricular developments shall be submitted to the University Curriculum Committee for review and appropriate endorsement for action by the University Faculty. Curricula involving graduate-level activity will be reviewed and endorsed by the Council on Graduate Education prior to consideration by the University Curriculum Committee. The Committee shall consist of one member from each academic department and a representative from the Registrar’s Office, who serves ex officio. At the beginning of each academic year, the University Curriculum Committee shall elect a Chairperson from within its membership, subject to approval by the Faculty Senate. The Chairperson of the University Curriculum Committee, or their committee representative, shall forward the results of the curricular review, including proposed endorsement actions, if any, to the University Faculty Senate at a regularly scheduled meeting of the University Faculty Senate for a vote of approval or disapproval by the Faculty. The Chairperson of the Faculty Senate shall report the results of the University Faculty Senate vote to the Provost and Vice President for Academic Affairs. The Chairperson of the University Curriculum Committee or the representative from Registrar’s Office shall forward all approved curricula proposals considered by the Committee to the Provost and Vice President for Academic Affairs for final approval. Once approved by the Provost and Vice President for Academic Affairs, the Chairperson or representative from the Registrar’s Office shall forward the curricula proposals to the South Dakota Board of Regents Academic Affairs Council for consideration and then to the Council of Presidents and the Board of Regents.

**Membership**

- Donna Kliche (Atmospheric Sciences)
- Lori Groven (Chemical and Biological Engineering)
- Brian Barth (Chemistry, Biology, and Health Sciences)
- Marc Robinson (Civil and Environmental Engineering)
- Christer Karlsson (Computer Science and Engineering)
- Thomas Montoya (Electrical Engineering)
- Kevin Ward (Geology and Geological Engineering)
- Laura Kremmel (Humanities)
- Suhao Chen (Industrial Engineering)
- Bill Cross (Materials and Metallurgical Engineering)
- Patrick Fleming (Chair; Mathematics)
- Jason Ash (Mechanical Engineering)
- *Vacant* (Military Science)
- Ivy Allard (Mining Engineering and Management)
- Johnica Morrow (Nanoscience and Nanoengineering)
- *Vacant* (Physical Education)
- Vlad Sobolev (Physics)
- Diana Eastman (Registrar)
- Jonathan Gibson (Social Sciences)
