

SOUTH DAKOTA SCHOOL OF MINES AND TECHNOLOGY

Policy Manual

SUBJECT: Dual Use of Credit

NUMBER: Policy II-25-1 (Formerly Policy III-23)

REVISED: August 2022

The South Dakota public university system encourages talented high school students to extend their educational background by completing college-level courses while enrolled in high school.

1. [South Dakota Codified Law 13-28-37](#) provides that students in grades ten, eleven, and twelve may have such courses applied towards Bachelor of Science degree requirements at South Dakota Mines.
2. The student shall be enrolled as a special, non-degree-seeking student.
3. The student is responsible for all fees, tuition, and costs of attendance not paid for by the school district.
4. With the school district's approval, these courses are applied to high school graduation requirements.
5. Documentation and additional admission procedures will be required.
