

**Graduate Student Initial Interview and Academic Planning Sheet
Geological Engineering, Geology, and Paleontology**

Student _____ Advisor _____ Date _____

Other faculty at meeting _____

___ MS Geology ___ MS Geol Eng ___ MS Paleo ___ PhD Geology ___ PhD Geol Eng

Research area interest/thesis topic:

Desired month, year of graduation _____

Target deadlines (month, year) to complete degree in this time frame:

Program of Study submission _____ Research proposal submission _____

Oral exam _____ Thesis draft _____ Defense _____

Undergraduate/deficiency courses to be completed, if any:

Accelerated BS courses to be applied, if any:

Student signature Date _____

Advisor signature Date _____

Graduate Coursework Plan (Tentative)

Semester: _____

Semester: _____

Semester: _____

Semester: _____

Semester: _____

Semester: _____

MS GEOE Specialization, PhD GEOE Specialization, and PhD GEOL Specialization:

Course emphasizing field methods: _____

Course emphasizing analytical methods: _____

Course emphasizing computational methods: _____

MS GEOL Specialization

Course emphasizing field/analytical methods: _____

Course emphasizing computational methods: _____
