This Letter of Intent must be submitted as part of the requirements for the Bachelor of Science in Interdisciplinary Sciences (IS) degree with a specialization in Science, Technology, and Society after successful completion of at least 64 credit hours and in accordance with the deadlines below. The student will complete this form in consultation with his/her advisor. An electronic copy of the degree worksheet must be forwarded to the student's advisor, and a paper copy of the degree worksheet approved by his/her advisor must be attached to this form indicating 1) courses already completed and 2) coursework which will complete the degree requirements. The advisor will then submit this application to the IS Curriculum Committee for action.

Deadlines for submission of the Letter of Intent
May graduates - April 30 of preceding year
August graduates - July 30 of preceding year
December graduates - November 30 of preceding year

IS 201, IS 401, and IS 498 are the required core courses for all STS graduates. Students may not enroll in IS 498 until an approved Letter of Intent is on file in the Humanities and Social Sciences office.

State your career goal, reason for pursuing the STS degree, your area(s) of concentration within the degree, and any other information you believe would be helpful in reviewing your candidacy.
