

# Aquarium 3D Print Policies

- Review the video “Do’s and Don’ts of 3D Printing” from the following link:  
<https://drive.google.com/drive/folders/1xLdA3U9bamNHQvEsZ3NrDr-RMZ4sMqjo>
- Attend a scheduled training session. The trainer will determine your ability to print independently.
- Do not bring in outside print material.
- All material changes must be preapproved by aquarium staff or [Dr. Aaron Lalley](#).
- Return to remove your print from the print bed at the scheduled time of print completion. Prints unclaimed upon completion will be scrapped.
- Re-prep the print bed after the removal of your print.
- Clean up all print waste after every use.
- Report all damaged or dysfunctional printers to the aquarium staff or [Dr. Aaron Lalley](#).
- Do not perform any maintenance or repairs.
- Violation of these policies will result in a loss of print privileges.
- If there are any questions or concerns, contact [Dr. Aaron Lalley](#).
