

DAY CAMPS

Mining and Explosives

Mining Engineering Camp

June 15-18, 2020
Grades: 9th-12th
FREE

Join us on the SD Mines campus for our STEM summer camps! At SD Mines, our summer campers participate in hands-on, STEM education throughout the day and explore Rapid City and the Black Hills in the evenings. These pre-college experiences are designed to expose students to the fascinating, hi-tech world of science and engineering. Camps are hosted under academic departments and boast a faculty director whose expertise exposes campers to the same content being taught in our undergraduate programs and beyond.

Summer Camp Scholarships

Scholarships are available for high-achieving, in-need students. Visit our website to learn more about the available scholarship opportunities and complete the online application. Don't wait – the priority deadline for scholarships is March 15!

Residential Camps

Experience life of a college student, living and learning on the SD Mines campus! Residential camp cost includes room and board throughout the week as well as all daily camp activities and evening excursions

Day Camps

Campers participate in on-campus activities and field trips throughout the day, but do not stay on campus during the evenings and overnights. Day camps provide the perfect opportunity to bring along the whole family and enjoy a family vacation in the Black Hills!

Materials, Metallurgy & Forensics

Metallurgical Engineering Camp

June 22-26, 2020
Grades: 9th-12th
FREE

Camp BioMed

Biomedical Engineering Camp

July 15-17, 2020
Grades: 9th-12th
Cost: \$200

RESIDENTIAL CAMPS

Robotics and Automated Manufacturing

Mechanical Engineering Camp
June 7-12, 2020
Grades: 9th-12th
\$975

It's Rocket Science

Physics Camp
June 14-19, 2020
Grades: 9th-12th
\$975

CBE Institute

Chemical and Biological Engineering Camp
July 5-10, 2020
Grades: 9th-12th
\$975

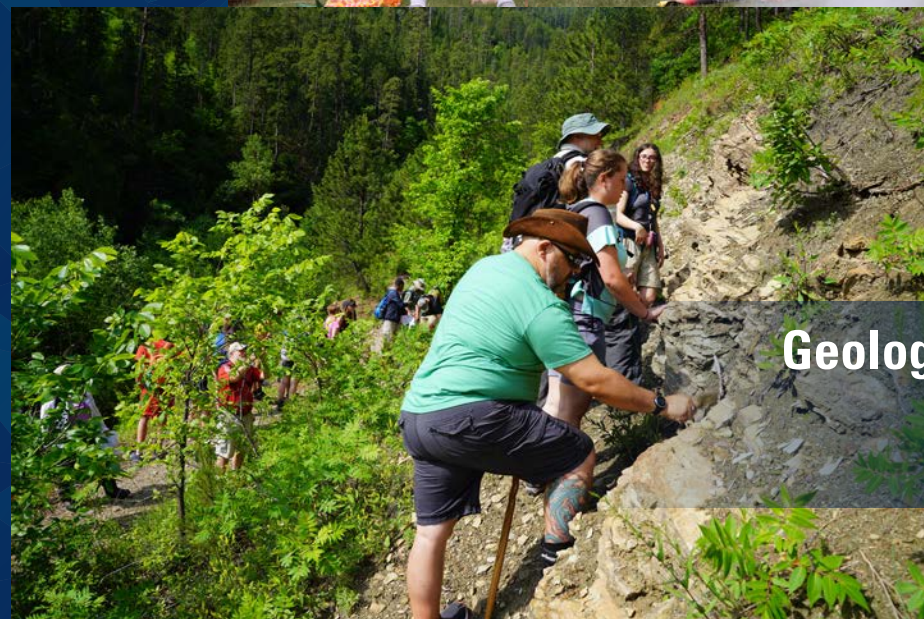

Wild Weather

Atmospheric Sciences Camp
June 7-12, 2020
Grades: 9th-12th
\$975

Geology Rocks!

Geology Camp
July 12-17, 2020
Grades: 9th-12th
\$995

Green Chemistry

Chemistry Camp
July 5-10, 2020
Grades: 9th-12th
\$975

STEM Exploration

Science, Technology, Engineering, & Math Camp
June 14-19, 2020
Grades: 7th-10th
\$975

Fossils

Paleontology Camp
July 12-17, 2020
Grades: 9th-12th
\$995

3D & Beyond

3D Printing Camp
July 5-10, 2020
Grades: 9th-12th
\$975
