Description: A single semester work experience at the employer’s location. Students will be asked to utilize specialized skills learned in the classroom and will be permitted to develop human relations skills and maturity in a degree-relevant work environment. Each student must satisfy departmental requirements in order to earn credit for the course. Requirements will include but not be limited to a written report of the work experience and an employer’s evaluation of work performance.

Notes: Variable credit; not to exceed 3 credits toward fulfillment of M.S. degree requirements.

Objectives: After completing this course, you should be able to:

• Identify and address the problems of modern day professional construction management.

Prerequisite: Permission of Instructor (Dr. Amos in all cases)
