

Change of Major Professor Form

Your major professor is chosen by mutual agreement between you and the faculty member in question and is established by your Program of Study. Your major professor guides your dissertation research, thesis research, or non-thesis research project. Normally, your major professor also takes on the role of academic advisor. Submit this form to the Office of Graduate Education (C2201).

__A revised program of study signed by the revised committee is required to accompany this form.

To be completed by student and new major professor		
I wish to change my Major Professor:		
Student Signature	Print name	Date
I agree to become the major professor for this student:
