

Program Specific Required Documents
(in addition to documents required from all applicants for all programs)

Program/Department	International transcript evaluation	GRE exam*	3 letters of recommendation	Additional notes
Atmospheric & Environmental Sciences (MS & PhD)	Yes	Yes	Yes	
Biomedical Engineering (MS & PhD)	Yes	Yes	Yes	
Chemical Engineering (MS)				GRE is waived for the 2021/2022 application year.
Chemical & Biological Engineering (PhD)	Yes	No	Yes	
Civil & Environmental Engineering (MS & PhD)	Yes	Yes	Yes	GRE is waived for non-thesis Master's applicants. Non-thesis students are typically self-funded. Recommendations required for external applicants only.
Computer Science & Engineering (MS)	No	No	Yes	
Construction Engineering & Management (MS)	Yes	No	Yes	CEM is an online coursework only program and does not offer assistantships.
Electrical Engineering (MS & PhD)	No	No	Yes	The GRE is recommended but not required. 2 letters of recommendation are required for external applicants only.
Engineering Management (MS)	Yes	No	No	Minimum TOEFL of 83 or IELTS 6.5 required for international students. ENMG is primarily an online coursework only program and does not offer assistantships.
Geology and Geological Engineering (MS)				
Geology, Geological Engineering, & Mining Engineering (PhD) (Geology & Geological Engineering specializations)	Yes	No	Yes	
Industrial Engineering	Yes	No	Yes	GRE is required for students with less than 3.0 GPA. 1 reference is required.
Master of Engineering	Yes	No	No	MEng is an online coursework only program and does not offer assistantships.
Materials Engineering & Science (MS & PhD)	Yes	Yes	Yes	
Mechanical Engineering (MS & PhD)	Yes	No	Yes	
Mining Engineering & Management (MS)				The MS program is available via distance delivery or on campus. The GRE is waived for distance students. A thesis option is available on campus. Campus students may be considered for assistantship funding.
Geology, Geological Engineering, and Mining Engineering (PhD) (Mining Engineering specialization)	Yes	Yes	Yes	
Nanoscience & Nanoengineering (MS & PhD)	No	Yes	Yes	Assistantship funding is available in the PhD program only.
Paleontology (MS)	Yes	No	Yes	
Physics (MS & PhD)	No	Yes	Yes	Assistantship funding is available in the PhD program only.

*GRE exam is waived for Mines students and alum except for Physics.
