An incomplete (“I”) grade may be granted only when all of the following conditions apply:

A. A student has encountered extenuating circumstances that do not permit him/her to complete the course.

B. The student must be earning a passing grade at the time the incomplete is necessitated. Anticipated course failure is not a justification for an incomplete.

C. The student does not have to repeat the course to meet the requirements.

D. The instructor must agree to grant an incomplete grade.

E. The instructor and student must agree on a plan to complete the coursework as evidenced by the Incomplete Grade Contract.

F. The coursework must be completed within one semester; extensions may be granted by the Dean of Graduate education.

G. If the student completes the course within the specified time, the grades that may be assigned are A, B, C, D, F, S, or U.

H. If the student does not complete the course within the specified time, the Incomplete (“I”) grade remains on the transcript.
