**MAVERICK ROOM** (Surbeck) and **Student Success Center (SSC)**

Use this chart to find the subject and the tutors who tutor it. Follow the subject row (right) across to find the tutors who tutor the subject [X=Tutor’s specialty, S=Tutor is qualified to tutor the subject].

Or, use the name columns to locate subjects with which a tutor can help. The tutor is qualified to tutor subjects marked X or S in their column. For optimum results, use this chart together with the TLC tutoring schedule which shows the hours and days in which each tutor is available.
