Course Articulation Agreement between South Dakota School of Mines & Technology (Rapid City, South Dakota) and Western Iowa Tech Community College (Sioux City, Iowa)

Renewal and Expiration

This Course Articulation Agreement becomes effective on the final date of signature by both parties and remains valid for a period of five years with the understanding that it may be terminated by either party with six months notice, unless an earlier termination date is mutually agreed upon. Revisions or modifications may be proposed at any time during the agreement's five year period. Prior to renewal, WITCC will submit appropriate course material for review by SDSM&T so as to ensure course articulations remain current and valid. Upon expiration, and with the concurrence of both parties, the agreement may be renewed for additional periods of five years.
