## AUTHORIZATION TO APPLY FEDERAL STUDENT AID

The U.S. Department of Education allows the South Dakota Board of Regents, acting on behalf of the state universities in South Dakota (BHSU, DSU, NSU, SDSM&T, SDSU or USD), to use your Federal Financial Aid to pay the tuition, fees, meal plan and housing charges (if contracting for a meal plan and housing) you owe directly to your home university. The South Dakota Board of Regents needs your permission to use your Federal Financial Aid to cover additional charges billed to your student account such as, but not limited to, parking permits and book charges. To authorize the South Dakota Board of Regents to use your Federal Financial Aid to cover those additional charges for current and prior academic years, as allowed by Federal Regulations, put a check mark in front of Yes below. If you select Yes, this authorization will remain in effect for subsequent terms unless you contact your home university's Financial Aid Office to rescind your authorization.

\_\_\_\_\_ Yes, I give the South Dakota Board of Regents permission to use my Federal Student Aid to satisfy all charges that may be assessed to my account. I understand that all charges to my account are a direct result of my attendance at one or more of the state universities in South Dakota.

\_\_\_\_\_ No, I do not give the South Dakota Board of Regents permission to use my Federal Student Aid to satisfy charges other than for tuition, fees, room & board (if contracting for room & board). I understand that I will be expected to satisfy other charges from my own resources.

I may change this authorization at any time by completing a new form at my home university's Financial Aid Office.

Complete the following information and submit to the Financial Aid Office.
