South Dakota School of Mines and Technology
Outside Agency Scholarship Verification Form for Student-Athletes

Under NCAA Rules, not all scholarships for SD Mines’ student-athletes (SA) from outside sources are permissible. The Financial Aid Office must verify that any outside aid provided to a SD Mines SA meets NCAA legislation to ensure their eligibility. A SA may receive financial aid from anyone upon whom a SA is naturally or legally dependent. A SA may also receive financial aid awarded solely on basis of having no relationship to athletic ability. Finally, a SA may receive financial aid through an established and continuing program to aid students as long as their choice of institution is not restricted by the donor and there is no direct connection between the donor and the institution. Please complete this form and return it to the Financial Aid Office at your earliest convenience (instructions below).
