JANUARY 20th

Last day to
ADD/DROP Courses
If you have put your name on one or more waiting list(s) there is now a new procedure for handling the waiting list so please read carefully.

If your name is next on the waiting list for a course:

⚠️ You will receive an e-mail at your MINES e-mail account stating that you will have until 11:59 pm the following day to register for the course.

⚠️ VERY IMPORTANT Check your email DAILY to avoid missing your chance to register.

⚠️ If you need help accessing this account please contact ITS Help Desk at 394-1295.

⚠️ If you miss the 11:59 pm deadline the next person on the list will have a chance to register and your name will be dropped from the list.

You will not be allowed to register for an overload of over 18 credit hours unless we have an overload form on file. You will need to drop a course before you register if an overload occurs. If there is no form on file and your name comes up to register, you will not get the class because you will not be allowed to register for an overload without the documentation.

If you DO NOT want to remain on the waitlist be sure to drop the course through WebAdvisor
