An academic transcript and syllabi of courses taken are **required**. It may be submitted electronically by the home university, **NOT** by the student. The transcript is used to determine the student's eligibility to take the requested courses at the South Dakota School of Mines and Technology. The transcript will be evaluated to determine if pre-requisites for the requested courses have been met. Please note that admission to SDSM&T carries no guarantee pertaining to the availability of courses in any given semester.

Checking availability of courses

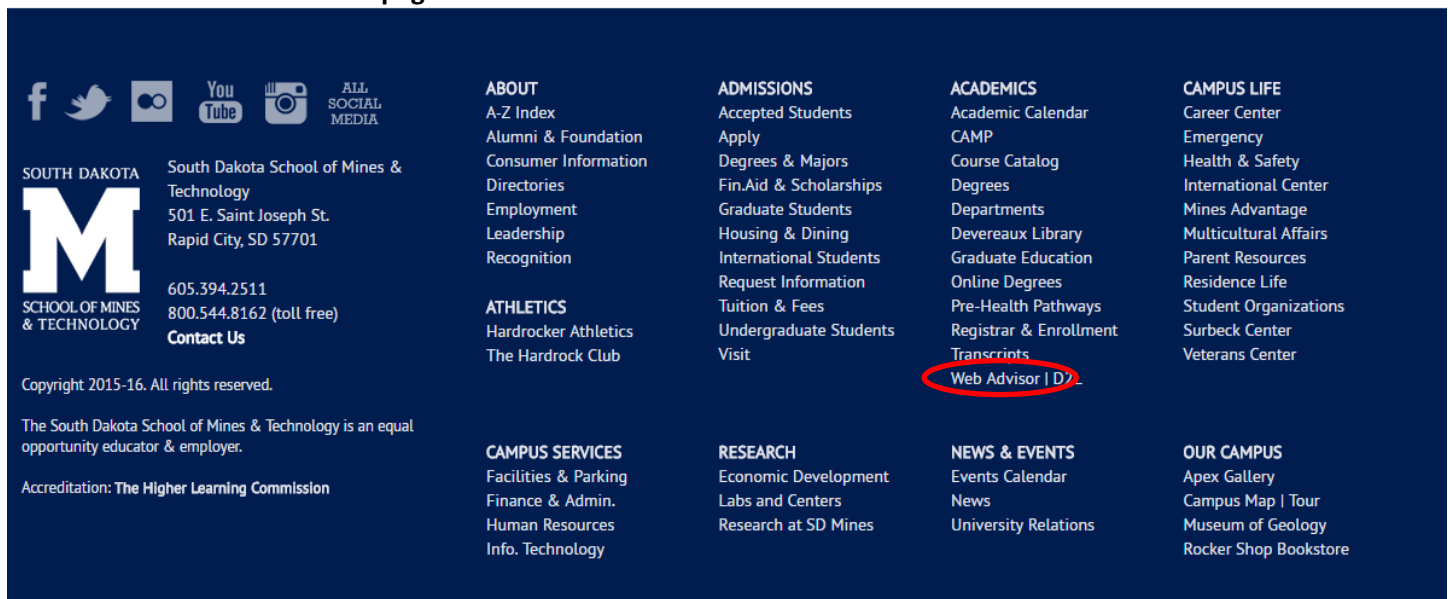

You do not need to be a current student to look at course selections. Please note: You will not be able to register for any courses. The Ivanhoe International Center staff will help you register for your courses. Follow the directions below to find which courses are offered for the semester you are planning to attend. All steps are circled in red. Please let us know if you have any problems with this process.

Go to: www.sdsmt.edu and scroll to the bottom of the page. You will click on "WebAdvisor" under the Academics section.

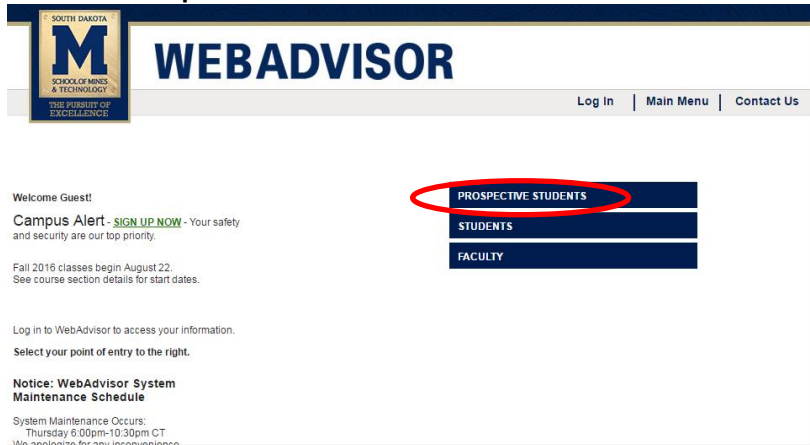

www.sdsmt.edu

This is the bottom of the main page. You can see the WebAdvisor link circled in red.

Go to the Prospective Students link and click on it.

Click on the link circled in red.
