Stem is our specialty

20 bachelor's degrees

13 accelerated master's degrees

15 master's degrees

9 doctoral programs

We prepare leaders to tackle the most difficult challenges of the twenty-first century.

Bachelor Degrees (BS)
- Atmospheric & Environmental Sciences
- Biology
- Biomedical Engineering
- Business Management in Technology
- Chemical Engineering
- Chemistry
- Civil Engineering
- Computer Engineering
- Computer Science
- Electrical Engineering
- Geological Engineering
- Geology
- Industrial Engineering & Engineering Mgmt
- Mathematics
- Mechanical Engineering
- Metallurgical Engineering
- Mining Engineering
- Pre-Professional Health Sciences
- Science, Technology, and Society

Master of Engineering Program
- Master of Engineering - in three emphasis areas
  - Civil & Environmental Engineering
  - Electrical Engineering
  - Materials Engineering & Science

Master of Science Programs (MS)
- Atmospheric & Environmental Sciences*
- Biomedical Engineering*
- Chemical Engineering*
- Civil and Environmental Engineering*
- Computer Science and Engineering*
- Construction Engineering & Mgmt*
- Electrical Engineering*
- Engineering Management*
- Geology and Geological Engineering*
- Materials Engineering and Science*
- Mechanical Engineering*
- Mining Engineering and Management*
- Paleontology
- Physics

* Accelerated Master's Degrees are an option in these academic disciplines - Complete a BS and MS degree in as little as 5 years.

Doctoral Programs (PhD)
- Atmospheric and Environmental Sciences
- Biomedical Engineering
- Chemical and Biological Engineering
- Civil and Environmental Engineering
- Geology, Geological Engineering, and Mining Engineering
- Materials Engineering and Science
- Mechanical Engineering
- Nanoscience and Nanoengineering
- Physics

Never a number

At South Dakota Mines, graduate students don't teach. Professors teach.

23 average class size

15:1 student-to-faculty ratio

Engaged learning

Internships, co-ops, or research experiences give our students a competitive advantage in the job market.

$19.70 an hour

79% recent graduates had paid internships, or research co-ops experiences
Undergraduate Scholarship
DEADLINE: January 15 for fall term (no scholarships awarded for spring term entry)

Prospective students must be ADMITTED to South Dakota Mines by the January 15 deadline to be considered for scholarships. Applications should be submitted as early as possible to meet this strict deadline.

For more information, visit:
www.sdsmt.edu/Admissions/Financial-Aid-and-Scholarships/Scholarships/Scholarships-for-Incoming-Freshmen/
For more information on Scholarships and other Funding Opportunities, visit: http://www.sdsmt.edu/FinAid/Scholarships/

High return on investment

96% Placemnt

$66,516 average starting salary in US

Discover the Black Hills
The Black Hills offer an outdoor playground for hiking, skiing, biking, and rock climbing. Campus is just minutes away from coffee houses, restaurants, and shopping in our tourist town of Rapid City, South Dakota.

Estimated annual costs for 2020-21 (living on campus, one academic year)
