1. **Consent for Medical Care.** The Undersigned, whether as patient or as agent, consents to the following:
 - a. All initiation of care, consultation, treatment, and procedures to be performed (including emergency treatment or services). The treatment and procedures may include, but are not limited to, laboratory tests, x-rays, physical examinations, injections, medical or surgical treatments or procedures, anesthesia, or other services rendered under the general and special instructions of the patient's provider.
 - b. Testing for HIV antibody (AIDS), hepatitis, or any bloodborne pathogen should the healthcare worker have an exposure to the patient's blood or other body fluids.
 - c. The disposal of any body parts or tissues removed according to Monument Health policy, including the use of de-identified specimens for research purposes.
 - d. Transfer and transportation to another facility for further care as instructed by the patient's provider.
 - e. Allow the patient's prescription medication history to be obtained from external electronic sources.

2. **General Risks.** The Undersigned, whether as patient or as agent, understands that the practice of medicine and surgery is not an exact science and that diagnosis and treatment may involve risks of injury or even death. No guarantees can or have been made regarding the results of examination, procedures, or treatment.

3. **Healthcare Providers/Relationships.** The Undersigned, whether as patient or as agent, understands:
 - a. That providers furnishing services to the patient, including the radiologists, pathologists, anesthesiologists, emergency room providers, and the patient's attending and consulting providers, may be independent contractors, independent practitioners, or employees of Monument Health. Only employees of Monument Health may be considered agents of Monument Health. Additional clarification should be made by asking the patient's providers.
 - b. That among those who may care for the patient at this Monument Health facility are medical, nursing, and other healthcare students who, unless requested otherwise, may be present or administer care as part of their training.
 - c. That Monument Health may utilize certain electronic technologies to communicate between healthcare providers and monitor patients receiving care at Monument Health facilities. Examples include but are not limited to eICU, Telemedicine, and Telepharmacy.

4. **Release of Information.** The Undersigned, whether as patient or as agent, authorizes the following:
 - a. Monument Health may disclose all or portions of the patient's medical record to any person or entity or their agents who may be liable to pay for all or a portion of the charges. Monument Health's authority shall include but is not limited to release of the patient's diagnosis, surgical procedure, plan of care, and benefits by telephone at the time of appointment check-in or during or after the appointment. The entities to whom the information may be released shall include but not be limited to insurance companies, health maintenance organizations, worker's compensation carriers, or government or other payors or their agents, such as utilization review, rehabilitation, or auditing agencies.
 - b. Release of clinical information to providers and facilities for the purpose of continued health care. The patient or agent understands that healthcare providers participate in Monument Health's Connect Program, and that patient data will be stored in a shared community electronic record. This clinical data may be shared with Monument Health, its affiliates, and other healthcare providers whom are associated with the patient's medical care.
 - c. Gives consent to Monument Health and its respective subsidiaries, affiliates, and vendors, to contact the Undersigned at the number provided using any means of communication, including, but not limited to, calls placed to a cellular phone using an automated dialing device and calls using prerecorded messages and/or SMS text messages, regarding any current or future accounts, outstanding balances, or payments owed to Monument Health or its respective subsidiaries and affiliates even if the Undersigned will be charged by his or her service provider(s) for receiving such communications. The Undersigned understands he or she will be provided the option to update communication preferences during the servicing of accounts and will notify Monument Health if he or she wishes to revoke this method of notification.
