

South Dakota Mines Red Flag Team

Mines has implemented a Red Flag team to assist all students, faculty, and staff who believe their confidential information and/or identity has been compromised.

Example of Red Flags

- Documents provided for identification appear to have been altered or forged.
- The photograph or physical description on the identification is not consistent with the appearance of the person presenting the identification.
- A document appears to have been altered or forged or gives the appearance of having been destroyed and reassembled.
- Personal identifying information provided is inconsistent when compared against external information.
- Personal identifying information provided is not consistent with information on file.
- The Social Security number provided is the same as that submitted by others.
- Social Security numbers do not match on all documents.
- Failure to provide all required personal identifying information on a form or in response to notification that the form is incomplete.
- Excessive address changes.
- Unusual number of inquiries on the account.
- A student asking for their student number because they lost their ID card.
- Lost student ID, Driver's license, passport, or social security card.
- Lost or stolen computer.
- Unauthorized charges on Grubby Gold card or bank card.
- Fraudulent use of someone's personal information.

If any of these examples or any other indications of identity theft or compromised personal information occurs, please report to one of our team members.
